## THANK YOU EGYPT FIRE CO.

Egypt Park would again like to thank the firefighters of the Egypt Fire Company #1 Station 39 for all they do for the playground and our community. Each year the firefighters assist us with escorting The Easter Bunny to our annual egg hunt and Santa to our annual Christmas Party. They also assist the park with other tasks throughout the year. We owe these men and women a lot of thanks not only for helping us but being there anytime an emergency arrives in our community. **Thank you again!**

## Pavilion Rentals

Pavilion rentals are now available year-round for birthdays, anniversaries, family reunions and picnics. Our facility is now heated and has ADA compliant restroom facilities.

Please contact Ryan Kramer at 610-217-5820 or email us at [egyptmemorialpark@gmail.com](mailto:egyptmemorialpark@gmail.com) to check availability and book your event.

# Egypt Field Hockey

Our Egypt Field Hockey program has seen a large increase in numbers this year! We are thrilled to expand our program from one team to three in just our second year! We are also hosting our first annual play day at the park on Saturday, October 15th! We will have several teams participating, indoor vendors, and snack stand available all day from 8:00AM-4:00PM. All are welcome for a great day of hockey!

We still have openings for any girls in grades K-2 who want to sign up at Hitter's Edge, Whitehall for the instructional field hockey program on Sunday's from 5:00-6:00PM. The first practice is Sunday, September 11th and you can sign up that night at Hitter's Edge or contact Michele Laubach at michelelaubach@hotmail.com. The schedule will be given that night and the instructional team is also involved with Egypt park play day and games.

Egypt will have a grade 3/4 team and a 5/6 grade team. We will play games with local teams and participate in four play days including our own. We are working on the develop of skills and game rules while participating in game and tournament play.

Recently, on August 20th, our field hockey players and parents participated in the Miracle League of the Lehigh Valley, a league for handicap children to play baseball/softball. Our girls became "buddies" with the Miracle League players, assisting them in all aspects of the game. We are scheduled to participate again on October 1st.

On July 19-21st, 9 field hockey players, participated in a private clinic run by Lafayette coaches at Metger athletic complex in Easton. Our Egypt teams are participating in a youth field hockey night with Lafayette on September 16th.

Members of the field hockey team attended the Whitehall Softball Clinic on Saturday, September 17th from 9:00-2:00PM at Whitehall High School. Saturday, October 8th our Egypt teams participated in the Whitehall Youth Field Hockey Day at the Whitehall turf stadium.

Egypt field hockey players and coaches attended the Whitehall Media night on September 31st where they were able to meet and take a picture with the Whitehall Varsity Field Hockey team. Several Egypt players also met and presented Coach Herman, Whitehall middle school basketball and freshman football coach, with a monetary donation to help support his family whose home was recently destroyed by a fire.

Fundraising efforts are being spearheaded by Assistant Field Hockey Coach, Tammie Tacker. The next one coming up is cheesecakes in November. Look for a spring "pack a bag for \$5" at Kornfeind's. Any questions, please email Tammie at tammie.tracy13@gmail.com. Thank you for your support!

Egypt Memorial Park hosted its first annual Field Hockey Tournament with much success on Saturday, October 15th. We had several local teams participating, raffles, and a great day of field hockey! Two fields were run simultaneously with teams playing all day from 8-2PM. Special thanks to the board, coaches, and Egypt Field Hockey family for all their efforts to make the day a success!

Egypt Field Hockey participated in the Palmer Pink Out play day on November 5th and helped raise \$1,672.50 for "Strides Against Breast Cancer"

Michele Laubach is running K-2 field hockey winter clinics at Hitter's Edge on Sunday's starting in December, please contact Michele at michelelaubach@hotmail.com for more information.

# Egypt Softball

We had a growth in our softball program this year at the park doubling our numbers from two to four teams! We added a second prep team and a 12U team! We were also excited to have more parents step up to accept coaching responsibilities.

Our prep teams had a fun year while learning fundamentals of the game. The 12U team had a challenging year while competing in the Division I Parkland league with a young team. They are playing fall ball and expecting a strong return to the league this year at the same level.

The 10U and 12U Softball teams participated in the Miracle League of the Lehigh Valley on Friday, June 10th. The Miracle League is for handicap children to play in a league of their own. Our girls were amazing in assisting their buddies on the field. It was a humbling and rewarding experience for our players and their families.

Congratulations to our 10U team on an undefeated 15-0 season while winning the league and playoff championship defeating the #2 team Catty 13-9 at Coplay on June 18th!

I was honored to coach the 10U National team in the all-star game on June 25th with Paige Tacker and Kyra Miller representing our Egypt 10U team. Bella Dauberman, Hannah Car, & Cecilia Quiroz represented the 12U all stars for Egypt.

On July 8th, all the teams celebrated at the end of the year park party. The 10U championship team had an exhilarating ride led by the Egypt fire truck around the community and ending at the park to be greeted by parents and park members. A huge thank you to the Egypt Fire station, Chief Joe Shambo, & Assistant Chief Ray Dankel for their accommodations. It was a memorable experience for the team!

Egypt's 12U softball team competed in the Parkland league this fall and was very successful!

If you are interested in coaching softball in the spring, please contact Michele Laubach at michelelaubach@hotmail.com
