Curt Simmons was an Egypt Baseball Legend who went  
on to a distinguished 20-year Major League career.  
Sadly, Curt passed away on December 13, 2022 at the  
age of 93. Egypt Memorial Park is proud to be the  
home of "Simmons Field", which was dedicated on a  
memorable day for all on June 2<sup>nd</sup>, 2012.

The Christmas Party was a hit,  
We hope to see everyone next year!

The 2022 Egypt Park volunteer of the year is Aiden Tacker. Aiden started playing baseball at the park when he was younger with his dad Tracy helping coach his team. Eventually his mom Tammy became a board member and just recently his dad also joined the board of directors. Aiden basically grew up at Egypt Park helping at cleanup days and at every park festival. Last year Aiden also completed his Eagle Scout project which included extending the concrete wall on Simmons Field along with digging out the dirt under both team benches and adding stone. He also installed weed edging and rubber water berm to keep everything from washing away when it rains. Aiden always seems to be helping somewhere every time the park has an event. We thank him for all he does for Egypt Park and the community, and we wish him the best at Bucknell University while he is studying engineering.
