PARK FACILITIES UPDATE!

The Board of Directors is currently investigating and moving forward on upgrading and replacing playground equipment.

Part of the discussion involves 2 areas; an area for our younger park visitors and another for the older group of kids that visit the park. Also, the Park is also aggressively pursuing a way to fund and complete development of an area that is designated as "Field 5" into a multi-sports field.

The biggest hurdle is funding as these are large projects.

Grant options through Federal, State and private organizations are actively being pursued. A committee has been formed and meets the 1st Tuesday of the month at the Park snack stand at 6:00 PM. Any input is welcome!

The Park coordinated a Toy's for Tots donation during the holidays and we hope to grow donations in future years. 2025 donations will start October 1st from 5-6PM on Wednesday nights.

Thank you to all of those in our community that donated in 2024!

Festival Day Car Show!

Egypt Park will once again host the PA Outdoor Veterans Car Show at the Festival on May 31st. The Car Show will run from 11 AM- 5 PM!
